

**The Farina Foundation
Play it Forward Instrument Donation Program**

The Farina Foundation welcomes donations of new or gently used instruments from businesses or the community. We are committed to providing instruments to the homes of children in need where they will be used for years of musical training and development.

We accept nearly any instrument that is in good playable condition. Instruments are loaned to children who cannot afford to rent or purchase one of their own and, after showing commitment to lessons for 4 years, take ownership of the instrument.

Your in-kind donation is tax deductible to the extent provided by law and you will receive a Tax Receipt from The Farina Foundation with our thanks for helping another child realize their dream of having music lessons.

To donate an instrument, please fill out the Instrument Donation Form.

Upon approval of the donation, The Farina Foundation will contact the donor to arrange transportation of the instrument.
